*Please read through the Conditions of Letting. Your compliance would assist in keeping the Hall and its environs in the best possible condition ready for the next user.*

## **BOOKINGS, HIRE FEE & REFUNDABLE DAMAGE DEPOSIT**

Hirers must return the booking form together with the hire fee and deposit to the Secretary 14 days prior to the date of hire, otherwise the key to the Hall will not be made available. Should the deposit not be sufficient to cover damage or loss, the Committee reserve the right to apply to the Hirer for further repair/replacement costs. Cancellations should be notified to the Secretary immediately they are known; if less than 2 weeks' notice is given a proportion of the hire fee may be retained. All relevant details must be completed on the booking form. The signatory and the organisation (where applicable) shall be jointly and separately liable as Hirer. **PLEASE PAY PARTICULAR ATTENTION to Paragraph 7.**

## **HIRER'S RESPONSIBILITIES**

1. **CONDUCT** - Everything shall be performed in a proper and orderly manner and the Hirer shall neither do, nor permit to be done, anything which creates a nuisance, or causes damage, or is in breach of any law or by-law including statutes of the Local Authority. Noise should not disturb the surrounding residents, including when vacating the Hall and any music should cease by 11pm.
2. **INSURANCE**
  - The Hirer is responsible for ensuring that they have appropriate insurance for their activities.
  - The Hirer is responsible for ensuring that any catering company or operator hired to bring equipment such as bouncy castles onto the Premises has relevant and appropriate insurance, which shall include public liability insurance.
3. **DAMAGES – You are liable for the cost of repair of any damage done to any part of the premises including it's curtilage or its contents. Any such damage, breakages or losses must be reported promptly to the Secretary, or in her absence to another member of the Hall Committee.** The Hirer's deposit will be held pending an inspection of the Hall and the deposit, less any required deductions for damages, breakages or need for additional cleaning, shall be refunded to the Hirer within 14 days of the date of the letting. If no damage has occurred or there is no need for additional cleaning, the original deposit will be returned.
4. **RESPONSIBILITIES AND KEY** - The room/s hired, cloakrooms and equipment shall be left in a clean and tidy condition after use.
  - **Tables** - Please ensure tables are cleaned before stacking appropriately by size on the trolley provided. Use a damp J-cloth on the melamine surfaces and remove stubborn stains with the liquid cream cleaner. DO NOT use a washing up dishcloth or a tea towel. There are clean cloths in the cupboard under the sink.
  - **Chairs** – blue chairs should be stacked **8 high, alternately** in the main hall and the red chairs **12 high** stored in the Arthur Harris room.
  - **Key** - The key may be obtained from and returned to the Secretary by arrangement.
5. **FIRE SAFETY**
  - **FIRE EXITS** - **No obstruction shall be placed in the way of entrances or fire exits.** The Hirers of the Hall should familiarise themselves with the fire precautions which are posted by the marked fire exits.
  - **FIRE ALARM** - The Hall is equipped with fire alarms and emergency lighting. Please ensure that the person who is to be in charge of the event (or the Steward) acquaints themselves with the instructions for dealing with a fire (a copy is sited by each exit to comply with Local Authority

requirements). If the main Fire Alarm sounds, everyone should vacate the building and proceed to the assembly point in the surgery car park. The person in charge should make sure everyone is accounted for and no-one should re-enter the building. The Fire Brigade should be summoned immediately.

**6. PARKING** - Vehicles are parked at the owner's own risk and must not be parked so as to inconvenience other Hall users or nearby residents. The Surgery car park is available for Hall users only during the evenings, Saturdays, and Sundays. Patients have priority in the Surgery Car Park and Hall users have priority in the Hall Car Park. Your co-operation would be greatly appreciated.

## **7. LICENSES**

- **PREMISES LICENCE** - we have a Premises Licence authorising regulated entertainment only (e.g. performance of a play, exhibition of a film, performance of live music – see Licensing act 2003 for further details). Any music must stop at 11pm under the these licence regulations.
- **PUBLIC ENTERTAINMENTS/ALCOHOL LICENCE (for up to 120 persons)** - If the hirer is providing entertainment and is charging for entry either in advance or at the door, the hirer will need to advise the Hall Secretary. Under the Licensing Regulations (2003 and 2005), the hirer, as organiser, will need to obtain a Temporary Events Notice (TENS) if the intention is to sell alcohol. This must be obtained from Herefordshire Council Licensing Authority for which they will make a charge. The Council requires a minimum of 14 days notice in order for the TENS to be issued and there will be specific requirements to be met. A copy of the granted Licence will be required to be forwarded to the Hall Secretary before the event is held; otherwise the key to the building will not be made available. The Licensing Help Desk's telephone number is 01432 261761.
- The hall has a licence with the *Phonographic Performance Licence (PPL)* and *Performing Right Society (PRS)* for Music for the playing of recorded copyright music or the performance of live music.

**8. THE HALL COMMITTEE** - reserve the right to allow nominated Committee Members or any Police Officer, Fire Officer or Justice of the Peace to enter the Hall at any time. They may also terminate any function they consider to be not properly conducted. **9. SAFEGUARDING CHILDREN, YOUNG PEOPLE AND VULNERABLE ADULTS** - You must ensure that any activities for children, young people and other vulnerable adults are only provided by fit and proper persons in accordance with the Safeguarding Vulnerable Groups Act 2006 and any subsequent legislation. When requested, you must provide us with a copy of your Safeguarding Policy and evidence that you have carried out relevant checks through the Disclosure and Barring Service (DBS). Hirers must ensure the over-ride is switched to the 'off' position after use. If the heating is on when you enter the building but the switch indicates it is not "on" this is because the frost stat has switched on and the heating has come on automatically to protect pipes. Overall temperature of the building is controlled by a pre-set tamper-proof thermostat located in the main hall. Individual thermostatic radiator valves are fitted to each radiator and can be adjusted with care. Please ensure that all heating is turned off after use. If left on, additional charges will be incurred. **The use of additional means of heating is not permitted without prior approval of the Secretary. Please ensure tables and chairs are placed away from radiators.**
